

Seated Exercises for Strengthening

FRONT ARM RAISES

1. Begin seated, holding a ball in both hands with your palms facing each other.
2. Extend your arms forward so the ball rests on your legs, with your elbows slightly bent.
3. Slowly raise your arms to lift the ball to shoulder level, then lower back down, taking about 3 seconds to raise and lower.
4. Repeat 10-15 times.

SHIN STRENGTHENER

1. Begin seated on the edge of a chair with legs extended, heels on the floor and knees slightly bent.
2. Point your toes downward, then flex upward.
3. Do 15 repetitions, then relax.
4. Repeat with 15 more repetitions.

SIDE BENDS

1. Sit on a chair with your feet flat on the floor.
2. Place one hand behind your head and the other arm stretched out to one side.
3. Lean over to the side as if reaching toward the floor.
4. Return to the starting position, keeping your feet flat on the floor. Repeat 5 times on each side

KNEE LIFTS

1. Begin seated on a chair.
2. Slowly draw one of your knees towards your body until it touches your chest.
3. Perform 15 to 20 repetitions for each leg.
4. Slowly work up to doing 3 sets at a time.

BICEP CURLS

1. Begin sitting in a chair with one dumbbell (or anything weighted—even a canned soup!) in each hand, with your palms facing up, keeping your elbows close to your sides.
2. Bend your arm at the elbow to lift one dumbbell almost to your shoulders, without moving your elbows away from your side.
3. Do 10 to 12 repetitions with each arm.

TUMMY TWISTS

1. Facing forward in a seated position, hold a ball with both hands close to your stomach, your elbows slightly bent.
2. Slowly rotate your upper body to the right as much as you comfortably can while keeping the rest of your body stable.
3. Return to the center and repeat on the left. Complete 8 twists per side.
